Close to magical Byron Bay's white sands, yet in secluded acreage, stands the secluded Amber Gardens. You can stay at this deluxe bed and breakfast as an individual, a couple, or you can even hire the whole house for special holidays with much-loved friends and family. The hosts have separate digs so you have exclusive use of the breezy lounge and dining areas.

Amber's four ensuite rooms exude elegance and comfort. Beds are caressed with crisp Egyptian cottons, and the flat-screen LCD television

screens are a delightful extravagance. Each room has its own verandah and private access. But you will love relaxing with a book in a hammock in the tropical palm-fringed gardens, followed by a dip in the crystal clear pool (kept clean by a low-chemical ionic system).

A real treat at Amber Gardens is the yummy breakfast, served on the sun-dappled verandah. Serenaded by colourful birds, your feast will include tropical fruits from Amber Gardens' own orchard. And we love the innovative breakfast sandwiches made with homemade bread fresh from the oven. What better way to start another balmy Byron Bay day.
